

Clwyd New Appointments:

Sales Manager: Kevin Watton

Kevin has worked in plastics for the last 28 years and after gaining degrees in Chemical process engineering, worked in Process Management and Quality Management positions, and in the late 90's, moved into Technical Commercial Sales management representing British Chemical Company, and later a Swedish Chemical company, in a global supply market. Kevin brings to Clwyd organisation, his experience of manufacturing systems and process, along with sales and marketing skills.
