

## *Appointment of new MD*

Clwyd are pleased to announce that, following the strong performance of the business over the last two turbulent years, our general manager

**Mr Richard Thomas**

was appointed Managing Director on 1<sup>st</sup> January 2011. Richard brings previous Board experience to the company from his former role as Operations Director of Terex Pegson in Leicester.

The owners will remain active in the business; John Haywood in the role of Technical Director, with a focus on developments for the future, and Sarah Haywood, as Director and Company Secretary (including responsibility for compliance with specialist legislation such as REACH)

This change also enables the owners to develop the structure which will enable the business to continue to operate as an independent family owned business into the next generation.
