

Carriage Charge Terms

United Kingdom

- Carriage is FOC for composite lots equal to or over 250kg on all standard compounds (codes 1-8, excluding 8F)
- For code 8F, carriage is FOC for items equal to or over 4kg
- For codes 90/9A/9E/9F/9G/9L/9T/9Z, carriage is FOC for items equal to or over 20kg (or composite lots equal to or over 20kg)
- For code 9P, carriage is always FOC regardless of weight and sent A.M. delivery by parcel courier
- For FOC samples, mainland UK carriage is FOC and sent on a standard next day service. For non-mainland UK, carriage is chargeable and will be communicated prior to shipment.
- Premium upgrades to service (i.e. timed deliveries) are chargeable at all times.
- FOC samples for mainland UK is always FOC carriage.

Any compound supplied for export is subject to a live quotation provided by our export carrier. Carriage terms will be agreed upfront (EXW as standard)
